

Panel of Images competition rules

1. A Panel will consist of three or more, distinct and different images about a linked theme.
2. The images must be presented as a single print or DPI file, on a plain background without any added text.
3. The panel competition will be either as prints or DPIs at the discretion of the Competition and Programme secretaries.
4. Images previously shown in an Open competition may be included in a Panel.
5. Images included in a Panel may take part in a later Open competition.
6. Images included in a Panel may not have been used in any previous Panel competitions.
7. Images included in a Panel may not be used in any subsequent Panel competitions.
